

Update 6/2/2009: decree of innocence / race changes

Written by Serenity

Tuesday, 02 June 2009 01:38 -

- New paladin spell (all tiers): decree of innocence.
- Decree of guilt now grants +hit as well as +dam.
- Elven guards (and green elves) very slightly reworked. They have lost their small amount of adaptive combat tactics, but have gained a fair amount of lateral deterrence.
- The entire drow lineage has gained lateral deterrence.
