- New barbarian (all tiers) skill: ruan strategy.
- Berserker's focus now grants endurance in addition to NR.
- Song of the trees now gains additional benefits beyond 100% mastery.
- Various internal AI improvements for the upcoming PvP event area.

- Updated the 'adaptation' command output, as well as 'help adaptation', to make its requirements clearer (you must have your answer set to 'ADAPTATION' or 'FREE ADAPTATION'.)
