

Update 7/30/2009: Warlock weapons tone / Wicked Fidelity / Temporal Gate

Written by Serenity

Thursday, 30 July 2009 17:01 - Last Updated Friday, 31 July 2009 16:22

- Sentinel dominance now has cool new functionality.
- Slightly improved warlock weapons in various ways.
- Basic warlock weapons (ataghan, gate staff, and claymore) have been normalized. Their scaling has been reduced somewhat, but they are more consistent in both power and availability.
- Wicked fidelity has been redesigned into a sweet warlock weapon alteration skill - see the helpfile for details.
- Temporal gate of bending now has a fixed duration of 3 minutes.
- Altered the "take a breather" plan of ruan strategy.
